LES MILLS CLASSES

BODYCOMBAT™ (Level II – Level III class)

This is an empowering cardio workout where you are totally unleashed! This energetic program is inspired by martial arts and draws from a wide array of disciplines such as Karate, boxing, Taekwondo, Tai Chi and Muay Thai. Supported by fun music and experienced instructors, this is a high energy cardio workout. Meet on the auxiliary court. (60 min)

BODYPUMP™ (Level I – Level III class)

Discover the ultimate high-energy, total-body workout using barbells and adjustable weights to tone and condition muscles while raising metabolic rate for rapid fat-burning. Meet on the auxiliary court. (60 min)

RPM™ (Level I – Level III class)

This is an indoor cycling workout where you ride to the rhythm of powerful music. Take on the terrain with hills, flats, mountain peaks, time trials, and interval training. Discover your athlete within- sweat and burn and reach new heights. Please bring your own FM radio/headset to hear the instructor. Meet in the cycle area. (60 min)

MIND/BODY CLASSES

2-Hour Yoga (Level II – Level III class)

This two hour vinyasa class is designed for the intermediate to advanced yoga practitioner. The sequence will be energetic and include all classes of poses: standing, hand balancing, inversions, hip openers, twists and back bends. A constant focus on proper alignment and connecting the breath and movement is important. Come to class prepared to be challenged and with the intention to have fun. Space is limited. Meet in the group fitness studio. (120 min)

90-Min Yoga (Level II – Level III class)

Are you an intermediate to advanced student but don't have 2 hours for yoga? Then here is the perfect class for you. This vinyasa style class is just like our 2-hour class only a little shorter. Focusing on alignment and movement, this class will help you move to the next step. Meet in the group fitness studio. (90 min)

Hot Yoga (Level II – Level III class)

This yoga class combines the movements of a general vinyasa class with the added heat to build sweat and increase flexibility. Feel the toxins slipping away as you go through your practice. Any medical conditions should be consulted with your doctor first as this builds heat and can increase blood pressure. Bring your mat, towel, and plenty of water. Meet in the first floor Pilates studio, space limited to 8 individuals. (75 min)

Mat Pilates (Level I – Level III class)

This class emphasizes the mind-body connection while enhancing and improving posture, muscular balance, strength and flexibility. Meet in the group fitness studio (Tuesday & Thursday noon class meets on the auxiliary court). (50 min)

Power Yoga (Level II – Level III class)

This athletic style of classic and modern yoga builds strength, flexibility and concentration and emphasizes a progressive series of postures commonly synchronized with breath. (Bring Your Mat.) Meet in the group fitness studio. (60 min; Evening class 75 min)

Restorative Yoga (Level I class)

Let go of stress as you sink into a supported stretch. This soothing form of yoga stimulates and soothes glands and organs and uses breath to help warm and lengthen muscles. Poses can help heal the effects of chronic stress and improve your feeling of well-being. (Bring Your Mat.) Meet in the group fitness studio. (60 min)

RyuTe® (Level I – Level II class)

The goal of this ancient life protection art of Okinawa and China is to stop conflict before it starts. In addition to striking, kicking and blocking, RyuTe includes grappling, locking and escape techniques. For more information, contact Richard Cornell at rickac1@sbcglobal.net. Meet on the auxiliary court. (120 min)

Sunrise Yoga (Level I class)

Gently transition into your busy day with this morning yoga class. Work on flexibility and strengthen specific areas to awaken both the mind and body. (Bring Your Mat.) Meet in the group fitness studio. (60 min)

Yoga I (Level I class)

This express class focuses on the names and correct positions of yoga poses. It is great preparation for higher-level yoga classes or as a refresher. (Bring Your Mat.) Meet in the group fitness studio. (60 min)

Yoga Flow (Level I – Level II class)

Yoga Flow is an energetic sequence that stimulates circulation and body heat to open joints and stretch muscles. We focus on breath and observing what is happening in our individual bodies. Beginners are welcome. (Bring Your Mat.) Meet in the group fitness studio. (60 min)

STRENGTH TRAINING AND CORE CLASSES

Beginning BOSU (Level I)

Introducing the BOSU Balance trainer for individuals starting from the beginning. Great way to improve your balance and stability and prepare you for the next level of BOSU training. Meet on the sprint lanes. Please register at the service desk. (30 min)

BOSU Conditioning (Level I – Level III class)

BOSU (Both Sides Utilized) conditioning class incorporates the BOSU Balance Trainer to focus on the whole body - cardiovascular endurance, strength, balance and core stability. All levels of fitness are welcome. Modifications will be given for each exercise to fit your individual fitness level. Meet on the sprint lanes. Please register at the service desk. (60 min)

Circuit II (Level II – Level III class)

-Mix strength training with cardiovascular training for a time-efficient, calorie-burning workout. You'll use various fitness props in this fast-moving circuit. Meet at the track desk. (30 min)

Core and More (Level II class)

Improve your core, balance and strength using the stability ball, medicine ball and other props. A solid core workout that will tone and tighten your body. Meet on the auxiliary court. (45 min)

COREsolution (Level I – Level III class)

This core-focused class will tone, tighten and strengthen your mid-section. Noon class on Monday meets in the group fitness studio; all other classes meet on the blue sprint lanes (in front of rowers). (15 min)

Extreme Core (Level I – Level III class)

Enhance your core workout with this 30 min class. Get the same core-focused work-out in an extreme version. Meet in the group fitness studio. (30 min)

Extreme Strength (Level I – Level II class)

Increase muscular strength and endurance with this total body workout. Isolate and define your upper and lower body muscles using hand weights, resistance tubing and bodybars. Meet in the group fitness studio. (60 min)

AQUA FIT CLASSES AT THE NATATORIUM
